122nd YEAR, NO. 20

STREETSVILLE'S ONLY LOCALLY-OWNED WEEKLY - 93 Queen St. S.

TUESDAY, DECEMBER 31, 1968.

The new Executive of the Ladies Auxiliary R.C.S.C.C. Haide are shown here looking over books that defines their duties as officers of the Auxiliary. From left to right are: Sheila James, Rae Jones, Elizabeth Burton, Zita Lazenby, Elizabeth Taylor, Ivy Pelling and Audrey Ross.

Venturer Advisor Walter Soroka was happy to receive three new members into the 1st Streetsville Venturers after their investiture at the United Church. David McHaffie, John Dalglish and Hugh Reid help to hold their official flag.

SPECIAL ALL-STAR NIGHT - JANUARY 18, 1969

The area has begun to buzz with excitement as a result of the announcement of the Special OMHA All Star Night. Our five OMHA teams will entertain teams from Hespeler in regular league action against our Novice Thunderbirds, IGA PeeWees and Hutt Fence Bantams. Two exhibition games will feature Maple Lodge Midgets and juvenile Derbys.

The SMHA players including our OMHA players will be the sellers of the tickets. The Grand Prize of 1 FREE WEEK at Tam O'Shanter Hockey School will be given only to the seller of the ticket - namely a registered Streetsville Minor

Hockey Player. Wes Robinson is in charge of the tickets.

The purchaser of the ticket at a cost of 50¢ gains admittance to the arena and is eligible for a number of prizes. The local merchants have been most co-operative in supporting the gala event. So far the list of prizes includes:

Bill Crawford's Shell Station - 2 Five Dollar Vouchers for Gas
The Country Squire - 1 Free Hair Styling
Streetsville Pharmacy - 1 Motorific Car
Bailey's Hardware - 1 Hespeler Hockey Stick and Tape
Jr. C Derbys - 2 Free Passes to

Jr. C Hockey
Eric Ladner Clothes - 1 Handsome Men's Wallet

Arno's Radio & TV - 1 Beautiful Transistor Radio
Anyone wishing to donate a prize

should contact Jim Lee or Bill Crawford of the PeeWees.
Last Monday Preston apparently

became snowed in and our Derbys and Maple Lodge Team gained victories by default.

Streetsville is a sports-loving Town

Watch
Next
Week

Streetsville is a good place to live - especially if you like sports. 1968 was a big year for sports. Several firsts were recorded of which we list a few:

1. First Junior C Hockey Team (started in previous fall but completed their first season in 1968).
2. First soccer teams competing at Streetsville's new soccer pitch at the park: Lusitanian men's team, Juvenile, PeeWee and Monquito teams in Intercounty Minor Soccer league for boys.
3. First competitive swimming team.
4. First lacrosse house league of four teams operated by the Kinsmen Club for Streetsville boys.
5. First OMHA teams entered in Tri County Hockey League in 5 age divisions.
6. First boys' golf tournament sponsored by The Review.

These innovations, added to the continuing institutions such as the local Men's Softball League, the Mississauga Lacrosse Association teams, two baseball teams representing Streetsville in the MBA, our strong, well operated hockey house league and a full interschool sports program at the Streetsville High School, made this an interesting year in sports.

This is a time when we hear complaints from some sources which tell of diminishing enthusiasm for sports and a growing cynicism among some youth for the rigour of physical competition. We don't see this problem

around Streetsville, though. Maybe our Sports Program is part of the reason for our town's good record

in juvenile delinquency too. We think so.

- ROSS GOHEEN

Next Week: Who are the personalities most responsible for Streetsville's enviable sports program?

Lots of action in Tri-County

January 18, 1969 will be a night to remember. On that date, our five OMHA teams will have their first ALL STAR NIGHT.

Starting at 5 p.m. the Maple Lodge Team will play an exhibition game. At 6 p.m. the Novice Thunderbirds will play their final home encounter against Hespeler. The IGA PeeWees and Hutt Fence Bantams will also play host to Hespeler at 7 p.m. and 8 p.m. respectively. At 9 p.m. the Juvenile Derbys will finish the evening's activities in an exhibition match. More details about prizes and events will be presented in the weeks to come.

Last Monday Guelph came to Streetsville and defeated Maple Lodge 8-4 while the Derbys played to a scoreless tie.

At Acton on Wednesday the PeeWees defeated the home team 6-3 with Dan Crawford (2), Dennis Chadala (2), Kemp and David Very scoring. The Hutt Fence club lost by the reverse score 6-3 and once again the Derbys were held scoreless resulting in a 1-0 defeat. Travelling to Guelph Thursday night the Thunderbirds gave Guelph an early Christmas present bowing 6-1.

Quiet!

Streetsville Police report "a very quiet Christmas" - with most citizens behaving themselves.

Road conditions caused some "very minor" traffic accidents.

Before Christmas there was a rash of cars reported "missing", and most appeared to have been "borrowed" for joy riding purposes.

Three 14-year old local boys have been charged, and they will appear in Juvenile Court in January.

Council Meeting

The first Council meeting for 1969 by Streetsville Council will take place at 8 p.m. on Monday, January 6.

Tri-County hockey roundup

Accounts of recent games appear elsewhere in this paper but we want to draw attention to the big OMHA All-Star night approaching Saturday, January 18 is the date.

The boys are out selling tickets for the lucky draws which will include gifts from quite a few local establishments. The boys may be pushing these tickets quite enthusiastically because the boy who sells the first prize-winning ticket also wins a free week at Tam O'Shanter hockey school.

Several encouraging signs have appeared in Streetsville's first venture in OMHA competition this winter. Although most of the teams have losing records at this point, a closer look at some statistics shows some interesting facts. For example the Maple Lodge Farms Midgets record of two wins in fourteen games looks disastrous until you note that most of the losses have been against higher classification clubs whom they don't face in the playoffs. In fact, this team coached by Bruce Sears and managed by Lorne Whaley of Maple Lodge Farms himself, has lost only one game to teams they boys will face in the playoffs. To date the team has been led by Don Arch, Ralph Thompson and Dave O'Hearn on offense and Glen Leedham on defense.

Streetsville's Juvenile entry, sponsored by the Junior C Derbys and handled by Ron Jacklin and Roy Brown has made a most impressive debut in the Tri County League. Their record is slightly below .500 against some of the top juvenile teams in Ontario and the team boasts a goals-against average of around 2.5 goals per game. The team has been concentrating on conditioning and defense against these good teams and the coaches hope to add a little more scoring punch to their sound defense. The team has been plagued by absences of players for various reasons so we look for this team to be even stronger when they get all their players together at once. The team from Paul Anderson, who has been great in goal, out through the solid defense of Glen MacPherson, John Petek, Chuck Hands and Bob V... and the forwards led by Doug Kalapaca and Dave Lyons is providing a good training ground for future Junior Derbys.

New Year's Eve Service At Streetsville Baptist Church

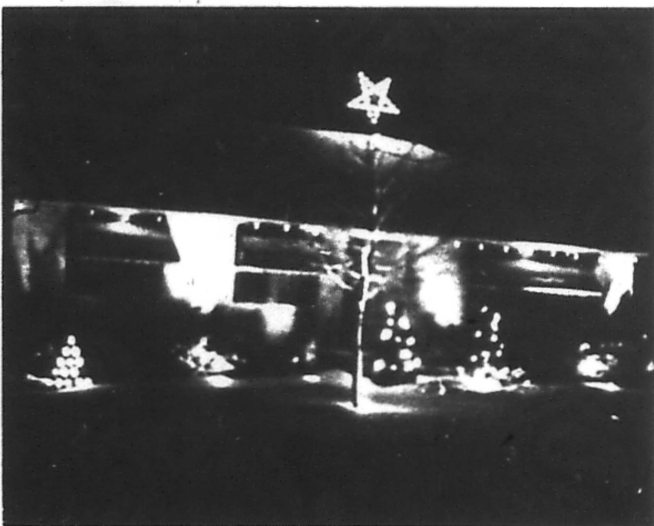

The arrival of the new year will be celebrated in various ways by Streetsville citizens, but members of the Streetsville Baptist Church on Vista Heights have a special way of celebrating New Year's Eve.

They will see the new year in by acknowledging past blessings from God and invoking divine blessing in the coming year. The "watch-night service" has become traditional at this church and this year the members invite any other s in the community who would like to celebrate

this way on New Year's Eve to join them at 11 p.m.

Citizens who may be attending other celebrations are also invited to drop in briefly any time during the service. Anyone present will have an opportunity to voice specific praise or request to God, and Rev. Manuel Marques will give a short message of inspiration just before midnight.

The program will also include special music by the Figueroa brothers. The service will be followed by a time of fellowship and refreshments.

The recent heavy snowfall has created a winter fairyland in the area especially when combined with the pretty decorations on the houses such as these on Queen Street and Shady Lawn Court.

INQUEST HELD -

On December 19 an inquest was held into the death of Vincent Bannon, at 86 Lombard Street, Toronto.

Bannon was killed in a motor vehicle accident on November 9 at Highway 27, north of Richview Intersection, York County. The jury returned the following verdict:

"We the Jury find from the evidence submitted that Vincent Bannon came to his death from injuries received in an accident with automobile licence 540-945 driven by Mr. Spence at Highway 27 approximately 50 feet north of the Richview sideroad in the northbound passing lane, on Saturday, November 9, 1968 at approximately 8:00 p.m. We find no evidence to attach any blame on Mr. Spence."

MAN LIVES AS HIS CAR IS NEARLY CUT IN TWO On Thursday, December 19 Prov. Const. J.

L. Richardson investigated a motor vehicle accident on #2 Highway in Clarkson. A vehicle driven by Arcangelo Trojan, age 45 of 287 Sumac Street, Toronto pulled onto #2 Highway from a plaza on the south side of #2 Highway as Mr. Trojan's vehicle entered the eastbound passing lane. It was struck broadside by a vehicle driven by Peter Hibbenga, age 18, of 918 Southdown Road, Clarkson. The Trojan vehicle was nearly cut in two. Mr. Trojan received severe scalp lacerations, contusions and abrasions to entire body. He was taken to South Peel Hospital by ambulance. Mr. Trojan has been charged with Careless Driving and Failing to Yield upon entering a highway from a private driveway.

Christmas at the Four Corners

The Four Corners Square Dance Club Christmas Snow Ball Dance was lots of fun. The cafeteria at T. L. Kennedy High School was decorated with a brightly lit

Christmas tree, paper bells, candy canes and a long string of stockings waiting to be filled by Santa.

The usual and the unusual dances were called by Bert Everett. Never on Sunday, Dip and Dive, Venus and Mars, Down the Centre Cut off six, Trail of the Lonesome Pine, Nine Pins, the Progressive Barn Dance, the Gay Gordons, Old Time Waltz and a Ladies Chain to Jingle Bells, were some of the dances that kept the dancers hopping.

The highlight of the evening was Santa Claus's arrival or rather the Clauses arrival. While Rudolph with his brightly lit red nose pulled one Santa around the room on a sleight, the second Santa gave out candy canes to the club members and guests. The Santas were Alma Burrows and Cec Gordon. Irene Gordon and her daughter Beverly were

the very well done Rudolph.

A delightful change from the usual fare was enjoyed at refreshment time. Warm mince tarts and sausage rolls were served. Mistletoe on the money box gave the treasurer a rather enviable position. Charlie Cruickshank was given a birthday greeting in the form of a single candle in a Rice Krispie cookie and the singing of Happy Birthday.

John and Rheims Burke were presented with their five year pins. Nick and Dot Redekop received their ten year pins. Bill and Marg Cunningham were away in Nova Scotia but will receive their five year pins on their return. The New Year's Dance will be the climax to a very successful 1968 fall and winter dance programme. The club is, however, looking forward to an eventful 1969. The first Satur-

day Dance will be held at T. L. Kennedy High School on January 11. The Thursday dances will start at Riverside on January 16. A very Happy New Year to one and all from the Four Corners Square Dance Club.

ROBARTS - "MINI - EXPANSION" MAY HARM ECONOMY

First he's sympathetic -- and then he ain't!

When Premier John Robarts heard that the Federal Government had scrapped plans for major airport expansion, he wasn't too happy. He told the Legislature he is "alarmed" that the mini-expansion might reduce Malton Airport's role as "Ontario's Gateway to the World."

"There might be a great deal of shifting of jobs (over 100,000) out of the Province", he said.

"Ontario might be left without direct international air service."

Is this the same John Robarts who was so sympathetic to the Mississauga Homeowners reps who visited him recently?

Recording of St. Peter's Anglican Church Cemetery

by Lorraine Kerswill, Member, Mississauga Historical Society

Recording a cemetery does not sound like a very interesting job, but once started, it is quite fascinating finding records of families going back a hundred years or more, and the St. Peter's cemetery ground) and the trowel

comes in handy in digging away overgrown grass. In some cases, the engraving has been worn away, making it almost impossible to read the inscriptions. Rubbing dirt across the writing would usually bring out the names and dates. We came to the conclusion that many stones had disappeared over the years, either breaking or sinking into the ground as there was quite a bare spot where many of the oldest graves were. A sunny day would seem to be the best time to do this type of work, but the sun striking one side of a stone would make it difficult to decipher. We found a dull day was better for this reason. One stone, which proved to be one of the most interesting, was impossible to read in the sunshine, but quite easy to read on a dull day.

Recording a cemetery is very time-consuming as many stones would have eight or ten names on them. The work at St. Peter's was started in the fall of 1966, continued the next spring and finally, with the help of members of the Society, finished in the fall of 1967.

For those who do not know the location, St. Peter's is at the corner of Dundas St. and Mississauga Road high on a hill overlooking the Credit River. The first church was a wooden building erected in 1826. The present stone church was built in 1887 with a bell tower added in 1910 and the latest addition in the 1950's. Rev. James Magrath was the first rector of

St. Peter's. With his wife, four sons and a daughter, he emigrated from Ireland in 1827. Settling at Springfield on a farm they called Erindale, they were a talented and industrious family. Of the four sons, Thomas, the eldest, was in the Canadian militia retiring as a Lieut.-Col. He was an ardent sportsman and was one of the founders of the Royal Canadian Yacht Club. William stayed on the farm; Charles was a lawyer in Toronto and James was the storekeeper and postmaster in Springfield. The daughter never married and lived at home. When Rev. Magrath died in 1851, a provision in his will stated that his daughter Anna was to be mistress of the house as long as she lived there. Imagine the frustration for William's wife when she found she was not to be mistress of the house that her husband owned.

One of the most common names in the cemetery, as far as numbers go, is Conover. There are 43 Conovers dating from 1848 when James Conover died, to 1962 when Albertina Conover died. There are many Adamsons, a well-known name in Mississauga from Dr. Joseph Adamson who died in 1852. Albertson, Shain, Taylor, Falconer and Crozier are other names which occur frequently. Dr. Beaumont Dixie, the doctor after whom Dixie Road was named, is buried there, along with his two wives and four children all of whom died in infancy.

One of the most interesting stones in the cemetery is the Hall family stone. The inscription on the stone reads:

"In memory of John, who died in 1746, age 109, and his son John, who died in 1794, age 89, and his grandson, who died in 1821, age 101, and his great grandson, who emigrated from the Parish of St. Lawrence, Annapolis, in the county of Westmoreland, England to W. Canada in 1831 and settled on the 8th concession, Trafalgar, who died May 30,

1837, age 67, and Mary his wife, who died December, 1846, age 67, parent to 5 sons in Canada."

The oldest stone we found was for James Fraser who died in 1810. A couple of hand-carved stones were also found, one for 6-year-old Emerson Shain who died in 1830.

While naturally the stones do not give the reason for death, with the exception of one which tells that a young man was killed by lightning, you are impressed by the number of stones

for young children and women. We can assume that cholera and diphtheria as well as many of the other diseases took their toll of the young and many of the women obviously died in childbirth. One sad stone tells of a mother, and her twin son and daughter all dying within a month of each other, and many where the mother has died and within the year the child too. Some families would have all their children taken within a short period.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to apply to the Ontario Municipal Board for approval of the works referred to in Schedule 'A' attached hereto, at an estimated cost in respect of each work as shown in such schedule and that the sum of \$210,000.00 shall be raised by the sale of debentures payable out of the general rate over a period of not exceeding ten (10) years.

2. Application will be made to The Ontario Municipal Board for an order to dispense with the assent of the electors to the undertaking of the said works. Any ratepayer, may, within twenty-one days after the first publication of this notice, send by post prepaid to the Clerk of the Town of Mississauga, at the address given below, a notice in writing stating his objection to such approval and the grounds of such objections.

3. The Ontario Municipal Board may order pursuant to the statute that the assent of the electors shall not be required and may approve of the said works, but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

CHOOSING SKI CLOTHING

In buying ski clothing, utility, not fashion, should come first, says the federal health department publication, SKI. The wrong choice can make the difference between pleasure and discomfort on the slopes.

Your clothes should be able to withstand intense cold, strong winds, or wet snow.

Following is a brief list of apparel to include in skiing outfits: 1. Long underwear is a must. Most blacks are wind and snow resistant but have very little warmth in themselves. Thermol type underwear is considered best. 2. A pair of heavy wool outer socks and a pair of light inner wool or cotton socks are best for all-round comfort.

3. The first point to watch for in ski pants is that they are wind-resistant and water-repellant. Heavy weight isn't necessary as the inner clothes supply the necessary warmth. They should allow your knees to bend easily and should fit snugly without being tight.

4. The ski jacket must be warm, windproof and cover the waist well. It should have a hood and a zipper pocket for small articles when you take a tumble. It should be roomy enough for a sweater underneath. 5. Leather mitts over wool mitts are best for really cold weather. Mitts or gloves should have sturdy leather palms and elastic at the wrist to keep out the snow.

6. As for headgear, whether you wear a headband or a toque, be sure it is tight enough to stay on when you are speeding down a hill. 7. Goggles with coloured lenses protect the eyes from glare and driving snow. On sunny days or in a blizzard, you can see clearly where you are going at all times.

STREETSVILLE ATHLETE OF THE WEEK

by
ROSS
GOHEEN

JEFF VERY

This week's athlete doesn't specialize in scoring goals but his defensive play is assessed by his coach and all Streetsville Thunderbird fans as deserving all-star rating. Jeff came to Thunderbirds from the Dixie rep. Tykes who sincerely regretted losing him and has established himself as a real star in OMHA competition. In last Saturday's 1-1 tie with Bramalea Jeff's outstanding efforts earned him "Most Valuable" rating, a recognition sometimes hard for a defenseman to obtain, but accomplished by this defenseman more than once this year.

Jeff is undecided whether his first love is hockey or horses. In the summertime Jeff collected ten ribbons for barrel racing and pole bending on his horses Rebel and Cisco. He is a student at St. Joseph's School in grade five.

JUNIOR C. DERBYS

Derbys lost two games last week but they won a few battles along the way. They did find out, too, that they do better playing short-handed than they do when they have a manpower advantage. In the home game, with two of his team-mates reposing in the penalty box, Ron Schott broke out to score an unassisted goal. On two other occasions, playing with a tow-man advantage however, the Derbys couldn't seem to muster a very impressive power play. In beating the Derbys 6-3, Oakville Blades scored three times before Bill Perks tallied one of his tidy goals at 19:50 of the first period. Oakville scored three more in the second with Schott's goal the only brief interruption.

Derbys held the Oakville team scoreless in the third as Gary Van Buskirk who played a good game all the way, scored the only goal of the period. Sandy McLachlan and Dave Tiveron were solid on defense for Derbys but it was Randy Johnson who won the most applause.

Johnson won two clear cut jousts before he was finally felled, not by an opponent, but by the referees. First he faced a courageous Oakville player who dared challenge our hero. The fight was a mismatch however and by the time the referees and his team-mates rescued the Oakville player, he had to be helped off the ice in a state of shock.

After the rescue an even bigger Oakville villain made the mistake of taking up the quarrel for his fallen comrade. His first battle hadn't softened Randy up noticeably though and he won that one too, by a unanimous decision.

It was at that point that the referees schemed to stop the Streetsville strong man before he cleaned up on the whole Oakville team. One referee

cunningly knelt behind Randy while his partner shoved Randy flying over the striped fellow. This gave the Oakville team a few minutes to flee and cost Johnson an opportunity for further conquest.

Only eleven players were available as the Derbys travelled to Bowmanville where they lost 6-2 in their other game last week. The extra work didn't seem to discourage the few players who dressed. In fact they seemed to get better as the game went along. Bowmanville led 5-0 going into the third period but the Derbys outscored them 2-1 in the last round on shots by John Naismith and Bill Perks.

Derbys game this week will be played on Wednesday night, January 1 at 8:00 p.m. Come out and see what resolutions the local boys have made as they face the only team they have been able to beat at home all year. The team also has room on their chartered bus to Ajax next Sunday to take a few fans who would like to travel with the Derbys.

STREETSVILLE MEADOWVALE HOCKEY

No new names were added to the hat-trick club this week but two players registered their second hat-trick of the season. Both players, David Chadala and Daniel Goheen are in the novice division but oddly enough, neither was on a winning team.

NOVICE

David Chadala added an assist to his hat-trick while Gary Walker had a goal and an assist for Reid Milling as they tied Canada Brick 4-4. Kent Tasker with two goals, Robert Evans and Doug Payne with a goal and an assist each and Steve Metcalf with one assist rounded out Reid's scoring. Daniel Goheen's three goals fell two short of Dominton Sash's five and his Kerr Flooring team lost 5-3. Blair Rogerson had two goals, Chris Perras had a goal and two assists, Bob Spence one goal and one assist and Derek West one goal for Sash.

Canadian Tire won 2-1 on goals by Terry Anderson from Brian Leduc and Martin Harris from Bob Jarvis. Losing Lion's Club goal was by Frank Araujo from Mike Peria.

PEEWEE

Five out of six peewee teams scored two goals each. Mike Robinson and Dave Harris had a goal and an assist each and Edgar Williams two assists as Hoy's Cafe and Atkinson Insurance tied 2-2. Terry McMann scored both Atkinson's goals. Joe Coopper assisted both and Fraser Lakhurst assisted one.

Dave Baldwin scored both Consumers' Gas goals assisted by Mike Cormier and Vic Snarr in their 2-2 tie. Fof Kiwanis Club Glen Mullally and Jim Rowe had a goal and an assist each while John Halliday drew one assist.

Pete Lockwood assisted Bob Oat's goal and scored the winner himself in Maple Lodge's 2-1 win over Kinsmen. Tony Panacci scored for the losers assisted by Ray Bryant and Keith Norris.

Don Norris and Grant Williams have been asked to organize an all-star team from among the six peewee teams. The team is sponsored by SPRINGFIELD ELECTRIC and has played one exhibition game in preparation for entry into the King Clancy tournament. Edgar Williams and goalie Doug Elliott looked good in their one game, a 5-1 loss to Etobicoke.

FITNESS STUDY

The appointment of track and field star Harry Jerome to undertake special studies in conjunction with the national Fitness and Amateur Sport Program was announced recently by the Honourable John Munro, Minister of National Health and Welfare.

Mr. Munro noted that Jerome's wide experience as a national and international competitor, coupled with his academic qualifications, would prove invaluable in providing technical advice on proposals conducive to the promotion and development of amateur sports at all levels in Canada. A native of Prince Albert, Saskatchewan, Jerome attended school in Norwood, Manitoba, before moving to Vancouver where he completed his high school education. In 1964 he

received his B.Sc. degree in physical education from the University of Oregon, and this past summer he received his Master's degree from the same institution.

As a sprinter Jerome has represented Canada in the last three Olympic Games and in all Pan-American and Commonwealth Games held since 1959. He formerly held the world record for the 100 metres, co-holds the world record for 100 yards and shared in the world record for the 440 yard relay. In Canada he has won 19 national championships, and while at the University of Oregon was selected five times as a member of the All-American Track and Field Team. He is a member of the British Columbia and Canadian Sports Halls of Fame.

PAPERWEIGHT

Goalie Mark Holmes turned in the only shut out of the week as his Elder Packing team beat Moore Electric 2-0 on a goal and assist by Jeff Blackwell and a goal by Ricky Hughes.

Larry Metcalf, Ian Bedford and Brian McLaughlin scored and Bedford also assisted in Streetsville Flyer's 3-1 win over Streetsville Pharmacy. Gary MacRae scored on an assist by Mike Kalapaca for the losers.

BANTAM

Harry Knibbe was the top player in the Bantam division. He scored twice and assisted Gary Gillis' goal in Rotary Club's 5-2 win over Pemrow Pipe Lines. Brian MacInnis was close behind with two goals too while Ross Pengilly (2), Gary Gillis and Mike Roy assisted. Joe Mota and Tom Phillips set each other up for Pemrow's two goals.

Robinson's Pharmacy got a goal and an assist from Don Harpley and Bob MacDonnell, a goal from Don Douglas and assists from Brian Hendry and John Beckett in their 3-1 win. Andy Bergman scored Canada Brick Truckers' only goal assisted by Al MacLean.

Canadian Legion won 2-1 on goals by Bob Moore from Bill Merkley and by Ron Osbourne assisted by Robbie Reid and Wade Potts. Losing Long's Service Centre's goal was by Bob Smith unassisted.

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

The Council of the Corporation of the Town of Mississauga proposes to pass a by-law to stop up part of an unnamed road allowance between Lots 'A' and 'I', Concession 1, North of Dundas Street. The Council further proposes in the said by-law to authorize the sale of the soil and freehold of the said highway to the owners of the land which abuts the highway. The following is a copy of the proposed by-law:

THE CORPORATION OF THE TOWN OF MISSISSAUGA

BY-LAW NUMBER

A By-law to stop up part of an unnamed road allowance between Lots 'A' and 'I', Concession 1, North of Dundas Street.

THE COUNCIL of the Corporation of the Town of Mississauga pursuant to Clause C and D of Subsection 1 of Section 459 of The Municipal Act, R.S.O., 1960, Chapter 249, ENACTS as follows:

1. That the highways and parts of highways described in Schedule 'A' attached hereto and forming part of this by-law are hereby stopped up.
2. That the soil and freehold of the above stopped up highways and parts of highways be offered for sale to the owners of the lands abutting for a sum and subject to conditions to be fixed by Council.

SCHEDULE A

DESCRIPTION OF PART OF THE ALLOWANCE FOR ROAD BETWEEN LOTS "A" AND "I", CONCESSION 1, NORTH OF DUNDAS STREET TO BE CLOSED AND SOLD TO THE ADJACENT OWNER.

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Mississauga (formerly the Township of Toronto), County of Peel and Province of Ontario and being composed of part of the allowance for road between Lots "A" and "I", Concession 1, North of Dundas Street in the said Town and which said parcel may be more particularly described as follows:

COMMENCING at the most northerly angle of Lot 1, Concession 1, North of Dundas Street; THENCE southeasterly along the northeasterly limit of the said Lot 1 to its intersection with the centreline of the Etobicoke Creek being the division line between the Borough of Etobicoke and the said Town of Mississauga.

THENCE northeasterly upstream along the said centreline of the Etobicoke Creek and being along a limit of the allowance for road between Lots "G" and "H" in the Borough of Etobicoke, in a Range with Concession 1, North of Dundas Street in the Township of Toronto, as closed by Etobicoke By-law Number 13145 registered as Instrument Number B-90755 (York), to where the same is intersected by the southwesterly limit of the said Lot "A", Concession 1, North of Dundas Street;

THENCE northwesterly along the said southwesterly limit of Lot "A" to the most westerly angle of the said Lot "A";

THENCE southwesterly along the southwesterly limit of the allowance for road between Concessions 1 and 2, North of Dundas Street (Burnhamthorpe Road East) 66 feet more or less to the point of commencement.

The above by-law will be considered by Council at a regular meeting held not sooner than one month after the first publication of this notice and the Council shall hear any person or by his Counsel, Solicitor, or Agent any person who claims that his land will be prejudicially affected by this by-law and who applies to be heard.

DATED AT MISSISSAUGA this 24th day of December, 1968.

Letter From Queen's Park

BY R. D. Kenney, M.P.P., Peel South

R.D.K. Discusses Regional Government

"The Minister of Municipal Affairs has stated that Peel and Halton are right up front for Regional Government. We are all pleased to hear the Minister not only accept but emphasize the recommendation of the Select Committee that local participation is to be a part of this process. The Minister further stated the population of Regions should be 150-200 thousand minimum and second tier Government 8-10 thousand population minimum. Peel would, therefore, fall into the 2-tier system and with this I agree and so does the County."

"It has been indicated that studies will be continued and that various Peel and Halton may be one unit. I do not believe this is a wise or feasible proposal and I would like to quote from

the report of the Peel County Regional Government Review Committee. This is an excellent summary of the factors involved and the position of the County. I quote from the report as follows:

"Consideration was given by this Committee to the possible unification of the Local Municipalities of the Corporation of the County of Halton and the Corporation of the County of Peel into one Regional Two-Tier Government. The County of Peel covers an area of 470 square miles and County of Halton embraces 370 square miles. The unification of the two Counties would contain a total area of 840 square miles, which is more than 3 1/2 times the size of Metropolitan Toronto with its 242 square miles. The area to be

serviced by the Ontario Water Resources Commission in the County of Peel covers an area of 173 square miles. The increase in population from 1957 to 1967 represents an increase of 116% in Peel County and 88% in Halton County with municipal assessments representing a comparable increase.

"With the projected general growth pattern of each County, this Committee feels that this is too large an area, diverse in its constituent parts, to flexibly and appropriately be accommodated in one Regional Two-Tier Government for the two Counties at this time.

"If a Regional Government was established embracing the County of Peel and it was found after a five-year or ten-year trial period that more centralization was deemed expedient, it would be reasonably easy to complete such a process."

"I go along with this recommendation. If both counties were included, the unit would be 3 1/2 times the size of Metro physically and the population could easily be likewise. In my estimation, the two counties as one region is too large. Admittedly the factor here will be the responsibilities to be assumed by each tier. Regardless of this, at least initially, Regional Government on present county boundaries would be best.

"Another feature I would like to comment on is the method of selection of Regional Council members. The Minister has come out in favour of representation by population and there can be no argument with that. He said 'They may be directly elected to the Regional Council, or they may be indirectly elected by becoming elected members of lower tier units and then being designated to sit on the Regional Council. We do not know at this time which system is superior. Convincing arguments have been advanced for

both forms of election. In view of this we hope to experiment with two-tier Regional Governments embodying both principles in order to see which form does, in fact, work better."

"As one who has had some experience in elections in both ward system and over a broader area, I am of the opinion that indirect elections would be desirable or at least not have it necessary for a Candidate to campaign over the entire Regional Jurisdiction. It is most difficult for an individual to give the necessary time and have the financial resources to campaign over an area of say 470 square miles as in Peel and a population, the minimum of which is 150-200 thousand. In practice, a candidate who has business interests or employment responsibilities, would also have limited time available.

"Convincing arguments have been advanced for both forms of election and I offer mine in favour of indirect election, at least for our particular area.

"Therefore in summary, I believe the most suitable form of Regional Government would be Peel County as a separate unit, on the two-tier basis, with indirect elections of Council members."

EDITOR'S NOTE - On January 23 Municipal Affairs Minister Darcy McKeough will speak (jointly) to members of Peel County Council and Halton County Council.

Presumably, at that time, the Minister will tell representatives of the two counties what is "to be or not to be."

"We haven't set a wedding date yet. We want a week when there are no other office collections"

Good Eating

BANANA - NUT BREAD

Cook up something good for holiday entertaining like miniature loaves of nut bread. Bake the bread in empty frozen juice cans, the six-ounce size. Package each loaf on a small wooden cutting board and cover with clear plastic wrap, tied with a big red bow. This recipe makes six loaves.

- 1 1/2 c. all-purpose flour
 - 1/2 c. sugar
 - 2 tsp. baking powder
 - 1 tsp. salt
 - 1/2 tsp. soda
 - 1/2 c. chopped nuts
 - 3/4 c. uncooked oats (quick or old-fashioned)
 - 1/3 c. milk
 - 1/4 c. pure cottonseed cooking oil
 - 2 eggs beaten
 - 2/3 c. mashed bananas
- Preheat oven to 350 degrees. Sift together flour, sugar, baking powder, salt and soda. Stir in nutmeats and oats. Add remaining ingredients and stir only until blended. Pour into six greased juice cans. Bake about thirty minutes. Let stand five minutes before removing from cans.

"OK! I'LL TAKE IT FROM HERE!"

It's a bouncing New Year, full of bright new promises! We hope it lives up to all your fondest expectations!

AFTER THE AIRPORT WHAT NEXT?

The battle against major airport expansion

"GIRL OF THE WEEK"

This week The Review has chosen Vicki Busby as "Girl of the Week." Vicki lives on Burnhamthorpe Road, is 16 years of age and is a Grade 10 student at T. L. Kennedy Secondary School.

She got a gold medal for singing and a certificate for swimming. She likes wild out-of-sight places, foreign cars and a fireplace with someone beside her. She hopes to visit the South Sea Islands when fulfilling her dreams of travelling.

has been won. It was a tough battle from beginning to end.

But after the Federal government announced its plans to scrap major expansion, what is left for the "Group of ten" men who led this fight?

A spokesman for the group answered, "We may start with air pollution. There are some factories in the area that are polluting the air faster than it can be counted."

Another mentioned that with Sherway Plaza construction to begin next spring, that NOW would be a good time to look into the possibility of hazardous traffic on Sherway Drive if that bridge is left open.

But whatever the problem, and a new town (or possibly a new CITY) will have its share, we can all rest assured that the "Group of Ten" will be on hand to make us aware, and will make us

aware, and will lead the fight to even greater victories.

I wonder what they (the Group of Ten) can do

TOP STORY OF '68

The continuous fight to prevent major airport expansion to the present Toronto International Airport, was the top story in Mississauga in 1968.

The SANA group, headed by Dr. Alex Borgell, together with the strong assistance from

about stimulating interest in the residents about the operation and maintenance of Ice Skating Rinks?

the people in Mississauga, made it possible through their diplomatic efforts to show the Federal government just why major expansion would be a serious threat to our children, our homes and our sanity.

SOME AFTER-CHRISTMAS NOTES

..... Walked into Towers on Boxing Day and was shocked beyond words as I passed the aerosol spray paint counter. It looked as though a disaster had struck the shelves. Several hundred cans had been sprayed all over the counter, push-buttons removed, and some cans had even been

punctured. It just goes to show you the carelessness neglect that accompanies the affluent age, and the negligence of parents who don't keep a watchful eye over their youngsters while shopping

At Sayvette the story was similar but the department was different. The Toy De-

partment looked as though it had been blasted by an atom bomb - bits and pieces, here, there and everywhere. Mainprize Pharmacy at Applewood Plaza set a record high in prescriptions over Christmas. Flu, sore throats were the main causes
